SCHEDULES "A" - "E"

1. PURPOSE

- 1.1. The purpose of this policy is to establish clear and consistent procedures for naming streets and renaming existing streets within the Town of Wasaga Beach. This ensures uniformity in street names, minimizes confusion, and supports the effective delivery of emergency services, postal services, and other essential municipal functions.

2. SCOPE

- 2.1. This policy applies to all public and private streets or roads within the Town of Wasaga Beach, as well as any requests for renaming existing streets or roads. The approval of street names is the responsibility of the Town through the passage of a by-law enacted by Council. Suggestions for street names may come from citizens, proponents of development applications, Town staff, or members of Council. This policy does not apply to streets or roads under the authority of the Ministry of Transportation or County of Simcoe.

3. DEFINITIONS

“Approved Street Name List”: A maintained inventory (referred to as Schedule “D”) of the street names officially pre-approved by the Council of the Town, from which names may be selected for new or renamed streets.

“Citizen”: An individual or organization who submits a request for the naming or renaming of a street.

“Council”: Council of the Corporation of the Town of Wasaga Beach.

“Director”: The Director of Planning or designate.

“Duplication”: The occurrence of a proposed street name that is identical or substantially similar in spelling or pronunciation to an existing street name in the Town or an adjacent municipality, which is prohibited to prevent confusion.

“Municipal Address By-law”: A By-law that regulates the assignment and display of civic addresses within the Town.

“Proponent”: A Developer who submits a request for the naming or renaming of a street as part of a development application.

“Public Street”: A street or road owned and maintained by the Town and accessible for public use.

“Private Street”: A street or road not owned by the Town but serving properties that are numbered according to the Municipal Address By-law and thus requiring official naming for consistency and emergency response purposes.

“Street Name List”: A maintained inventory (referred to as Schedule “E”) of the street names already in use by the Town, and that are reserved and no longer available to be selected for new or renamed streets.

“Town”: Shall mean the Corporation of the Town of Wasaga Beach.

4. STREET NAMING AUTHORITY

- 4.1. The naming of public streets shall be the sole responsibility of the Town.
- 4.2. The Town has sole responsibility over naming private streets or roads where individual properties are numbered according to the Town’s Municipal Address By-law, as may be amended.
- 4.3. This includes private roads within a Plan of Condominium.
- 4.4. The Town has sole responsibility over renaming all existing public and private roads.

5. GENERAL PRINCIPLES

- 5.1. All public and private streets or roads within the Town, including private and/or commercial roads, shall have a street name.
- 5.2. All street names shall be unique. No street name in the Town shall be duplicated and duplication of street names with abutting municipalities is to be avoided.
- 5.3. Proponents of development applications shall receive Schedule “D” and Schedule “E” from the Town to assist them in the selection of potential suitable street names. Proponents will provide one alternate street name and suffix for each proposed name in the event of duplication.

6. INVENTORY OF ACCEPTABLE STREET NAMES

- 6.1. The Director of Planning shall compile and vet all proposed street names for suitability, appropriateness and compliance with this policy. The Director will then provide recommendations to Council for approval.
- 6.2. The Director of Planning shall maintain the “Approved Street Name List” (Schedule “D”) and the “Street Name List” (Schedule “E”).

7. OTHER STREET NAMES

- 7.1. The “Approved Street Name List” (Schedule “D”) are those other names that have been vetted and pre-approved by Council for use.
- 7.2. Council considers and pre-approves street names in the “Approved Street Name List” (Schedule “D”) at its discretion and provided they do not conflict with existing street names in Schedule “E”.

8. STREET NAME APPROVAL/ASSIGNMENT PROCESS

- 8.1. The process for approving a street name(s) is as follows:
 - 8.1.1. Any Citizen, Proponent, member of Council and Advisory Committees can make an application to add a Street Name to the Approved Street Name List or to rename an existing street.
 - 8.1.2. The application shall be submitted to the Director and must include a sworn declaration for the proposed street name(s), a brief but complete explanation for the name(s).
 - 8.1.3. The Director will review the application for conformity to the criteria details outlined in this Policy.
 - 8.1.4. If the proposed name/explanation does not meet the Policy Criteria, the applicant will be advised in writing, and the name will not be brought before Council for consideration.
 - 8.1.5. If the proposed name/explanation meets the Policy Criteria, the Director will bring a recommendation report to Council for consideration. If approved by Council the name(s) are included in Schedule "D" or Schedule "E", as is required. If it is a Proponent's request for a development application, the name(s) may be reserved for use for the Proponent's development application.
 - 8.1.6. Despite 8.1.5 above, the Town may withdraw approval of name(s) where a Proponent's development application is dormant.
- 8.2. It is expected that a Proponent will as a minimum use one (1) pre-approved street name from Schedule "D" for their development application. The process for an approved street name is as follows:
 - 8.2.1. The Proponent reviews the Approved Street Name List (Schedule "D" for their street name(s) selection and identifies their selection in the application form.
 - 8.2.2. Staff confirm that the selected name has not be pre-assigned to another development application, and if not, includes the Proponent's selection in the staff report to Council.
 - 8.2.3. If for some reason the Proponent fails to make a selection from Schedule "D" a name will be assigned by the Director.
